CAREER OBJECTIVE

Motivated and detail-oriented Computer Science student seeking an entry-level opportunity to utilize technical skills in software development, web applications, and problem-solving. Eager to contribute to team success through hard work, continuous learning, and excellent communication.

EDUCATION

Bachelors in Technology: Computer Science and Engineering Sanskriti School of Engineering, JNTU-A, Puttaparthi	2022- 2026 CGPA: 9.05/10
Intermediate: MPC Narayana Junior College, Anantapur	2020-2022 CGPA: 9.6/10
SSC ZPH High School, BSEAP, Pedapalli	2019-2020 CGPA: 10/10

TECHNICAL SKILLS

- Languages: Python, Java, HTML, CSS, JavaScript
- Frameworks/Libraries: Django, Flask
- Databases: MySQL
- Tools: VS Code, GitHub
- Subjects: DBMS, Operating Systems, Computer Networks, Software Engineering, Software Project Management

PROJECTS

- ◆ **Hostel Leave Management System** Django, Python, HTML, CSS, JS
GitHub: [LINK](#)
 - Designed and implemented a digital system that streamlined the entire hostel leave application and approval process, reducing manual paperwork and delays.
 - Enabled real-time tracking of leave history, improving transparency for students and wardens.
 - Improved communication between students and administrators via a centralized management platform.
- ◆ **Face Recognition Web App** Flask, Python, OpenCV, face_recognition
GitHub: [LINK](#)
 - Developed a system to detect and identify a specific face within a group photo by comparing with a reference image.
 - Automated the process of face matching to support use cases like attendance and identity verification.
 - Enhanced system usability with a simple interface for uploading and analyzing facial images.
- ◆ **Smart Attendance System** Django, Python, HTML, CSS, JS
GitHub: [LINK](#)
 - Created an intelligent attendance system that automates student check-in through facial recognition.
 - Reduced manual errors and time delays by enabling real-time, contactless attendance tracking.
 - Designed a user-friendly interface for seamless interaction between students and faculty.

PROFESSIONAL EXPERIENCE

- | | |
|---|---------------------------------|
| • Web Development Internship – Skill Dzure | Duration: May 2025 – June 2025 |
| • AI/ML Virtual Internship – AICTE Edu skills | Duration: April 2025 – May 2025 |

CERTIFICATIONS

- RIT Program – RISE Austria – Learned fundamentals of Java, HTML, CSS, and self-learning skills(4 Modules)
- Introduction to Java – SoloLearn | [LINK](#)
- Programming Fundamentals – Coursera | [LINK](#)
